

PRESS RELEASE FOR STRANGE EDEN, MUSICAL DUET

FOR IMMEDIATE RELEASE: Lancaster, Pa. based **Strange Eden** is a musical duet which performs expertly crafted covers of popular radio hits from the past three decades. The pair consists of:

Sara Eden (vocals and rhythm instruments) who brings her natural charm and genuine warmth for others to the stage along with a sultry and edgy vocal style often likened to that of both Chrissie Hynde (The Pretenders) and Debbie Harry (Blondie).

D Cozzens (vocals and guitars) - a bonafide, 80's rock guitar-playing relic, D amuses audiences with his energetic and flamboyant performances along with a vocal style reminiscent of John Mellencamp.

By employing the most current musical technologies, **Strange Eden** produces the pristine sound of an entire band. For more information about this duet, visit their website at www.StrangeEden.net .
